

Kindly send an email to [LLerinabytanzy@gmail.com](mailto:LLerinabytanzy@gmail.com) to join the notification list for the fast. This fast is dedicated to mothers praying for their firstborns, reclaiming them for God's purpose and use.

Additionally, this is for those women who are children of fraternity and sorority members and wish to avoid following the false gods of their families. Lastly, it is for those who have denounced these influences and wish to reclaim what has been lost and taken by the gods of Freemasonry.
