I would like to leave some additinal prayers for you

I was flowing as the Holy Spirit led me so please excuse any typos in this document

This prayer was delivered to me by the Holy Spirit while in a corporate gathering. A lady had some travel disruptions due to her daughter's mental health and after sharing my testimony with her the Holy spit lead me into prayer with her . The fire of the Holy Spirit fell and here is apart in that prayer.

If you have been struggling with mental issleness or illness of any kind . Bring the issue up to the Lord . Confess your sin , repent , and recover. Apart of the recovery is to plead the blood of Jesus over every doctor's report ! Each time there was a diagnosis and you agreed with it plead the blood of Jesus ! Walk your self back through each appointment confess , repent and recover plead the blood over the paperwork , over every word spoken by the doctors, your self ,your family and whomever else that is not in alignment with what God says about you .

Example :

Dear Heavenly Father, almighty God , healer ! And keeper of my soul , healer of broken things Jehovah Rapha. I am coming to you aware that i am a sinner in need of a savior ! Be my savior . Save me from my sin , save me from my pain , save me from the brokenness of my pass and present . Father come to my rescue your word in Mathew 7:7 says ask and keep on asking !

"" Ask and keep on asking and it will be given to you; seek and keep on seeking and you will find; knock and keep on knocking and the door will be opened to you. For everyone who keeps on asking receives, and he who keeps on seeking finds, and to him who keeps on knocking, it will be opened."

Father open the doors where my healing takes place . Lord close the doors of pain from the past ! And seal them shut with the blood of Jesus so that no man can open them. Lord remove the tethers of pain, lord remove the tethers of trauma ,lord remove the tethers of disappointment, lord remove the tethers of sickness, lord remove the tethers of disease. Lord remove the tethers of rejection and create in me a clean heart oh LORD! Creat in me a heart capable of accepting Love your love, a heart capable of accepting your healing the healing that flows from the cross of Calvary! The healing that surpasses all understanding , the healing that flows back to my childhood and releases me from every space of captivity! The blood that flows back to my childhood and restores my soul even right now ! And not just my soul but restores the soul of the person who hurt me . For you are a just a righteous God you do all things well. You know all things , from you are all things and to you all things belong! Not just me but the person who hurt me belongs to you Lord! The victory belongs to you so the pain belongs to you too! I join you with the suffering so the Glory I'll join you there too!

—————keep going here if you need to

Repent!

Example

Lord forgive me for trusting in the doctors more than I believed in you. Lord forgive me from leaning on my own understanding and not acknowledging you .Father forgive me for the sin of fornication that led me to that relationship which is the source of my pain right now . I am hurt but Lord I acknowledge that I disobeyed your commandments ! And you being a just and a righteous God will bring about justice. Father find me blameless when you judge ! Wash me and I'll be clean purge me and I'll be pure ! I don't know when this promiscuous behavior began but I realize that it goes against your will, that it goes against your decrees, that it goes against your precepts.and i have decided this day as heaven and earth are a witness to turn from this sin because it is a sin! It's caused me to miss the mark. Restore to me the joy of my salvation , restore to me the desire to press froward towards the mark of a higher calling, restore to me the desire to please you in all my ways. Your word says before you formed me in my mother's womb you knew me . So even before I knew myself i was know by you. Before my mother knew my father i was know by you , before my parents knew me i was known by you. Restore to me the knowledge about whom i am that you fork-new before this thing (name it) caused me pain! Before this thing (name it) caused me to sin and miss the mark

————— keep going ! I only listed fornication here because it was the issue that was highlighted to me but it's not the only sin! Un-forgiveness is a sin as well and you can repent of it in the same way(of the way that the Holy Spirit leads you)

Restore :

I showed you this at the front part of the document when i told you to plead the blood of Jesus over every document ,Over every conversation.

This could take you hours (days , months) pray as the spirit leads you ! The might bring something to your understanding , he might show you a situation in a dream how we he chooses to manifest the truth to you be willing to repent ,and be restored .

As always I love you and have an amazing day ... until next time
