

The Prayer/courtroom scenario that you see below is from the book Freedom from Freemasonry by [Dr. Ron M. Horner](#). As I mentioned in the video I have not read the other books but I have customized this prayer so that you can use it in any area of your life that the Holy Spirit highlights.

Please don't just blindly pray these prayers, ask the Holy Spirit for guidance! And pray as you are led. If you don't understand that the bible is a legal book I would highly suggest that you get this understanding first before going further.

I have not read the book Overcoming Verdicts from the Courts of Hell: Releasing False Judgments (False Verdicts Series) but based on the book that I have read from this author I think that it may help in helping you to gain further understanding of the topic. **PLEASE PRAY ... and wait for the leading of the Holy Spirit before purchasing this or any other suggested materials.**

I have posted the prayer here for those of you who understand but don't currently have access to the recommended materials. We as the body of Christ need to use the tools that have been given to us! why ? because we are being destroyed because of our lack of knowledge. Not just any knowledge (as the world has) but the knowledge of who God is **Read Hosea chapter 4**
