

Thank you for selecting Llerinabytanzy for your booking. Please utilize the following link to schedule your services: <https://www.styleseat.com/llerinabytanzy>

1)Choose your service

Resident chair massage or Resident table massage

2) check the available times

🙋🙋 Chair massage will take place in your office, while table massage will be conducted at your home on the designated day.

🙋🙋 You may contact me through the messaging feature on the app with your preferred selection, and I will include you in the schedule. If you wish to secure the slot before it is filled, you can book it yourself, and I will follow up to confirm. Please ensure that your contact information is accurate.

🙋🙋 Payments are processed through invoices and must be prepaid. An appointment is not confirmed until the invoice has been settled. If you opt to reserve your appointment slot instead of being added to the schedule manually, my booking platform will temporarily hold a small amount of \$1 to \$5 on your card. After your invoice is paid, I will ensure that this information is updated accordingly.

🙋🙋 Please make sure to book your appointment only on the date set by your leasing office for the event. If you'd like to choose a different time, you can do so at the regular rate.

🙋🙋 I appreciate your patience as I personally handle the response, along with sending the intake forms and invoices.

🙋🙋 If you wish to include cupping or hot stone therapy in your appointment, please inform me during the booking process. Unfortunately, I cannot accommodate these additions on the day of your appointment. The cost for each service is \$20.

🙋🙋 To schedule an in-suite appointment, please adhere to the provided instructions. If you wish to redeem your complimentary hot stones using the code given by your leasing office, there will be an option available during the payment process for in-suite appointments.

🙋🙋 Any massage therapist collaborating with Llerinabytanzy has undergone thorough vetting to the best of my ability. This process includes professionalism, reference checks, massage technique, hygiene standards, background checks, and alignment with Llerinabytanzy's core values, all of which are integral steps in the selection process.
