

Who am I

Hebrew BIBLE

Apocrypha app

You have not because you ask not, and when you do ask you don't receive. Because you ask with the wrong intentions.

<https://apps.apple.com/us/app/apocrypha-bibles-lost-books/id1294158835>

The Lord says you don't know who you are because you don't ask, and when you do ask you ask with the wrong motives! You want to fight and argue, so you don't receive. This isn't meant to start a quarrel or convince anyone of anything!

This is for those of you who have already been awoken to the revelation but lack perspective. May the Lord bless and keep you. May the blood of Jesus Yahuah cover you.

James 4:2-3

2 You desire but do not have, so you kill. You covet but you cannot get what you want, so you quarrel and fight. You do not have because you do not ask God. 3 When you ask, you do not receive, because you ask with wrong motives, that you may spend what you get on your pleasures.

North Korean Defector videos

It's been about a year since I began watching Holocaust videos and doing research involving North Korean defectors (or people who successfully escaped the regime). This was brought to me by the holy spirit in a way that seemed very random to me. I definitely wouldn't consider myself a history major or anything like that. I was intrigued less about what happened and more about why it happened... And the effects it had on the people.

Almost every night after I began to do this research the Lord began to speak to me in dreams and visions. This wasn't something that I was unfamiliar with but I never experienced such frequent revelation in this way.

Shortly after the Lord began to show me the coming of wars and all these things a war broke out in Israel.

White Jews were not the only people

Who suffered during the Holocaust

However I didn't find any information from

other groups ...

coincidence OF

COURSE NOT

This sparked me to ask more questions... why the Jews?

I sat on my floor one day after taking a walk and plainly asked God what did the Jewish people do to deserve the holocaust. Some of your feathers might be ruffled by that but in my walk with God, I have come to know that he is just!

When you see harsh punishments know that they are deserved. Even in your own life

Here is a video I made that might give you a bit more insight as to what I'm saying here

After I asked this question there was silence about the matter for several months.

It was almost as if the question was ignored because he continued to reveal other truths but said nothing about what I asked until.

Again a very random day I woke up with a Startling dream that I shared with you here:

<https://youtu.be/egWdy3m09CA?si=ET.Tjm60KcATVJMUy>

The lord was beginning to answer me.

But I couldn't fully perceive it.

It never crossed my mind that African American slavery (that's what they call It)

had anything to do with the Jews (white Jews)

As I'm typing this I am reminded of a dream that the Lord showed me when I first started watching Holocaust videos.

A white man with very blue eyes was standing in front of me, and in the background, there was the news station that had discovered some old photos I heard them say "Jesus was Jamaican" and I very quickly with a very annoyed disposition turned the TV off.

Then I continued to listen to the man tell me about what he had created.

This was the Lord trying to introduce the conversation to me but I couldn't perceive it. It was easier to believe what had always been said rather than to think about the possibility of it being a lie.

A video about perception

Anyway....

After that dream, I was beginning to understand that this was a big deal, and a cause of bondage for many people of color today!

When you read your Bible...

If you read it you don't see it as a book for you, and thats a problem!

I went on about my life

you will be able to see the span of time in the description of the videos.

I woke up the morning of what they are now calling Juneteenth from another Startling vision.
